## THE 4-WAY TEST

Of the things we think, say or do:

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

## The Lighter Side

### Military (Mis)Communication

One reason the Armed Services have trouble operating jointly is that they don't speak the same language.

- ✦ If you told Navy personnel to "secure a building," they would turn off the lights and lock the doors.
- ✦ Army personnel would occupy the building so no one could enter.
- ✦ Marines would assault the building, capture it, and defend it with suppressive fire and close combat.
- ✦ The Air Force, on the other hand, would take out a three-year lease with an option to buy.

## Today in History

- 1492 Columbus arrives in the Bahamas; the real Columbus Day
- 1918 1st use of iron lung (Boston's Children Hospital)
- 1933 Alcatraz becomes a federal prison (unofficially)
- 1969 Soyuz 7 is launched
- 1973 Nixon nominates Gerald Ford to replace Spiro Agnew as VP
- 1989 Herschel Walker is traded from Cowboys to Vikings for 12 players
